

Session 1

1ST PERIOD: ART

Mixed-Up Media (5-7)

Get ready for mash-ups, mix-ups, and messes in this mixed-media class. Explore a variety of painting, collage, and 3-D techniques and learn how to combine your favorite methods to create original works of mixed-up art!

Max: 12

Food Art (Ages 5-8)

Learn about famous food artists and colorful plates as you become a color wheel Master Chef! Create mixed media works of art inspired by food, and use potatoes, apples, and even marshmallows to create delectable prints. It's art that looks good enough to eat. Please note these works of art can only be savored with the eyes!

Max: 12

Trailblazers (Ages 7-11)

Take an adventurous look at should-be-famous artists and the paths they forged! Create sculptures like Augusta Savage and Max Ernst. Explore the photography of Dorothea Lange. Make art inspired by the Tiffany stained glass designer Clara Driscoll. Travel around the world and through the ages as you draw, paint, sculpt and explore new artists.

Max: 12

Camp Adler reserves the right to change classes, schedules, and Instructors when enrollment is insufficient.

1ST PERIOD: MUSIC & DRAMA

Boom-Boom-Whack (Age 5-9)

Come one, come all to the greatest BoomWhacker class of them all! Learn percussion and pitch as you play classic sing-a-long songs and pop favorites in your very own BoomWhacker band. Develop a strong sense of rhythm as you work as an ensemble to play songs for a thumping, whacking, and musical good time.

Max: 10

Broadway Bound (Ages 7-11)

Have fun while improving your singing, dancing, and acting skills. Performers will explore the world of classical musical theatre and learn what it means to be 'a triple threat.' Improve vocal technique through choral singing. Learn choreography, characterization, and classic musical theatre songs for a special musical revue to be performed at the Celebration of the Arts.

Max: 18

FULL

Session 1

2ND PERIOD: ART

Art on the Move! (Ages 5-7)

This class just won't sit still! Some art moves, and some only gives the impression of movement. Can you spot the difference? Make mobiles, optical illusions, flipbooks, and wearable art in this mixed-media class for movers and shakers. See how kinetic sculptures are made, and work together to create a large kinetic sculpture for the Celebration of the Arts.

Max: 12

Art Experiments (Ages 5-9)

Artists will love conducting creative experiments in the Adler Art Lab! Use a variety of exciting materials to make bubbly, messy, and surprising art. Explore today's coolest art experiments-- THEN-- make some experimental art of your very own!

Max: 12

Ancient Egypt (7-11)

Pyramids, hieroglyphics, and mummies, oh my! Explore the art and culture of one of the oldest civilizations on earth. In this mixed-media class, make pottery, sculpture, and drawings as you create new hieroglyphics, decipher your own Rosetta Stone, and explore the significance of Egyptian art in our modern world.

Max: 12

2ND PERIOD: MUSIC & DRAMA

Tales from the Forest (Ages 5-7)

Sing, dance, and play in a music and drama class featuring your favorite folk and fairy tales. Explore classic tales set in enchanted forests with puppets, folk dances, new songs and old favorites. Then, create brand new original stories featuring some of your favorite forest characters. From Little Red to the Gruffalo, there are enchanting mysteries to discover deep in the forest!

Max: 12

Around the World in 80 Plays! (Ages 7-11)

Grab your passport and pack your bags! Travel around the world and through time experiencing different forms of theatre. Explore theatre from Ancient Japan, Apartheid Africa, Mid-Century America and Ancient Greece! Then, rehearse and build a scene in one style to perform at the Celebration of the Arts!

Max: 15

Adler Singers (Ages 7-11)

Are you ready to join the Adler Choir? Learn appropriate techniques for singing in choirs and musicals. Work on the fundamentals of healthy singing: breath support, alignment, placement, relaxation and articulation. Learn basic music theory concepts like scales, intervals, harmony, key signatures, and sight-reading. Then, use your new skills to sing musical theatre, pop, rock, and classic songs you'll love to perform at Celebration of the Arts.

Max: 15

Camp Adler reserves the right to change classes, schedules, and Instructors when enrollment is insufficient.

Session 1

3RD PERIOD: ART

In the Open Air (Ages 5-8)

Go outside and spend time exploring the Adler Center's gardens this summer! Paint landscapes, use nature to create works of art, and paint and sketch some of the butterflies, birds, and bees in the Adler Center's new native species garden.

Max: 12

Sketch & Paint (Ages 7-11)

Get ready to move beyond doodling! Draw and sketch with wet materials: ink, watercolors, acrylics, and markers, and dry materials: charcoal, graphite and conté crayons. Learn techniques for quick sketches and more complicated drawings. Get messy and create a colorful sketchbook of your very own drawings and paintings.

Max: 12

Clay Creations (Ages 8-11)

Use your imagination to create with clay. Sculpt using your fingers, hands, and with simple tools. Learn artistic techniques and methods like pinch, coil, and slab building. Use glazes and techniques for kiln-fired ceramics. Build pots, critters, and abstract masterpieces that we will display at the Celebration of the Arts.

Max: 12

Camp Adler reserves the right to change classes, schedules, and instructors when enrollment is insufficient.

3RD PERIOD: MUSIC & DRAMA

Disney Duets (Ages 5-8)

Grab your best bud and sing along with Timon and Pumbaa, Anna and Prince Hans, Woody and Buzz, and many more of your favorite Disney duos in this musical theatre class for younger campers. Performers will explore friendships and improve vocal technique through choral singing. Learn simple choreography and characterization while preparing a tune for the Celebration of the Arts.

Max: 12

Aloha, Adler (Ages 8-11)

It's time to get tropical! Learn the basics of ukulele in this group class for older campers. Read chords and rhythms as you explore the sounds of Hawaii and learn how ukes are used in today's most popular songs. Learn how to compose a song of your very own using chord progressions. By the end of camp, our tropical ensemble will have enough experience to perform together at the Celebration of the Arts. Instruments are provided.

Max: 8

Improv! (Ages 8-11)

Laugh your way through the summer! Learn the building blocks of improvisation and techniques for successful scene work. Learn how to initiate scenes, be a good scene partner, and create off-the-cuff stories with clear beginnings, middles and ends. Explore the basics of improv teamwork: agreement, active listening, using your environment, understanding stage status, narrative, and supporting your teammates! Campers will showcase their new skills at the Celebration of the Arts. No experience necessary!

Max: 15

Session 1

4TH PERIOD: ART

Clay Creations (Ages 5-7)

Use your imagination to create with clay. Sculpt using your fingers, hands, and simple tools. Learn artistic techniques and methods like pinch, coil, and slab building. Use glazes and techniques for kiln-fired ceramics. Build pots, critters, and abstract masterpieces that we will display at the Celebration of the Arts.

Max: 12

The Speed of Light (Ages 7-11)

Come along artsy Einsteins! Explore new experimental processes for creating art with light—including photography and image manipulation. Explore the use of light in traditional media and develop new ways to create art that is cutting edge!

Max: 12

Comic Book Kids (Ages 8-11)

Make your own comics! In this class, campers will improve their basic drawing skills while developing their own unique cartoon or comic book characters. Using classic, contemporary, and manga comics as inspiration, artists will work on drawing figures, facial expressions, action poses, and backgrounds. Each camper will have their cartoon panel displayed at Celebration of the Arts.

Max: 12

Camp Adler reserves the right to change classes, schedules, and instructors when enrollment is insufficient.

4TH PERIOD: MUSIC & DRAMA

Talking Drums (Ages 5-8)

Learn traditional hand drumming rhythms and discover how drums can talk to one another! Work together to create energetic group performances as you make your drums whisper, shout, and sing. Practice jazz drumming, marching drum line and African drum circles. Drum along to your favorite popular songs, then create a special performance for the Celebration of the Arts.

Max: 10

Acting Ensemble:

The Great Camp Adler Mystery! (Ages 7-11)

Mysterious things have been happening at Camp Adler, but our team of spies and detectives are ready to find clues, interview suspects, and crack the case! Play acting games, use voice and movement work to create suspicious characters...and brilliant detectives. Learn the skills you need to go into any audition or rehearsal with confidence, while putting your brain to the test!

Max: 15

The Jazz Age (Ages 9-11)

Follow the journey of jazz music from its beginnings in African and African-American traditions through the blues and ragtime to the big-band traditions of the Roaring Twenties. Trace its influence in pop music over 100 years later! Sing like Bessie Smith and Louis Armstrong as you gain an appreciation for the founders of "America's Classical Music."

Max: 12
