

Session 2

ART CLASS TOPICS

Drawing & Painting

Draw and sketch with wet materials: ink, watercolors, acrylics, and markers, and dry materials: charcoal, graphite and conté crayons. Learn techniques for turning simple shapes into more complicated drawings. Get messy and create a colorful sketchbook of your very own drawings and paintings.

Art as Science!

Artists will love concocting creative experiments in the Adler Art Lab! Use a variety of exciting materials to make bubbly, messy, and surprising art. Explore today's coolest art experiments-- THEN--make some experimental art of your very own!

Famous Forgeries

How can you tell what's fake and what's real? Explore famous forgers from Michelangelo (who copied the Romans) to Robert Driessen and John Myatt. Make your own look-a-like works and learn how to recognize artists' (and forgers') tell-tale techniques.

MUSIC & DRAMA CLASS TOPICS

Talking Drums

Learn traditional hand drumming rhythms and discover how drums can talk to one another! Work together to create energetic group performances as you make your drums whisper, shout, and sing. Practice jazz drumming, marching drum line and African drum circles. Drum along to your favorite popular songs!

Play-ing Around the World

Grab your passport and pack your bags! Travel around the world and through time as you explore the ways kids play across the globe. Move your body as you play theatre games from Japan, Greece, Africa and more! With puppets, costumes, and stories galore, young performers will play drama games that encourage movement, friendship, and empathy.

Adler Luau

It's time to get tropical! Learn the basics of ukulele in this group class for older campers. Read chords and rhythms as you explore the sounds of Hawaii and learn how ukes are used in today's most popular songs. Learn how to compose a song of your very own using chord progressions. Instruments are provided.

Camp Adler classes are subject to change. Classes will be decided by age and enrollment numbers. Custom schedules are not possible in 2021. All students will have a variety of art, music, and drama classes throughout their camp day.

Art projects change each session. Any repeated class from one session to the next will have a variety of new projects for campers enrolled in multiple sessions.

Campers will receive their final class schedules on the first day of Camp.

Session 2

ART CLASS TOPICS

Off to India!

Explore Indian folk art like Kalamkari (pen drawing), Patachitra (cloth scroll painting) and learn about relief sculptures, textile design, and the architecture of world treasures like the Taj Mahal. In this mixed-media class, you'll travel through time visiting both ancient dynasties and modern Bollywood and see all the stunning colors of India.

Portraiture

Take your drawing skills to the next level as you learn the fundamentals of portraiture. Explore anatomy, proportion, and perspective as you create both realistic and presentational portraits. Try your hand at self-portraits and learn to make amazing drawings of your friends and family.

Lions, Tigers, and Bears

Oh my! Play with colors, patterns, and sculpture in a mixed-media class exploring animals and their environments. Learn about Frieda Kahlo's monkeys, super-flat animals inspired by Takashi Murakami, and even early cave carvings! Then, create a special portrait of your favorite furry (or slimy!) friend.

MUSIC & DRAMA CLASS TOPICS

Improv!

Get ready to laugh your way through the summer! Learn the building blocks of improvisation and techniques for successful scene work. Learn how to initiate scenes, be a good scene partner, and create off-the-cuff stories with clear beginnings, middles and ends. Explore the basics of improv teamwork: agreement, active listening, using your environment, understanding stage status, narrative, and supporting your teammates! No experience necessary!

X is for Xylophone

Combine percussion with melody and what do you get? A class full of fun songs and cool instruments! Learn contemporary and classical songs as you learn to play the xylophone and other unique percussion instruments. Build a xylophone band as you work together to create memorable performances and learn to the basics of reading music.
